Acrostic Instructions:

Fill in as many answers to clues as you can. Don't worry if you only get a few of them to start. Copy the letters from any completed boxes to their corresponding numbered boxes in the top section. With any luck, some of the words in the top will become apparent—if so, fill in any missing letters, then copy those letters back to the appropriate boxes in the answers to the clues. Keep working back and forth. When finished, a quotation will be revealed, and the first letters to all the answers will spell out the author of the quotation.

Choose four groups of four items each. Each item can only be used once. What's the connection between each group of four?
